## Baby Boomers enthralled by ex teacher's display at reunion

DOBWALLS Primary School reunion for those at the school between 1965 and 1975 was a memorable and emotional occasion. One of the organisers Steve Finch says: "Although the turnout was a little sparce, most of the year groups were represented. A good time was had by all, catching up with ex-classmates, in some cases, after more than 40 years. The highlight of the evening was, without doubt, the superb wall display produced by ex-teacher Mrs Rawle who also graced us with her presence. A special shout out to Paddy and Lesley Mutton who were behind the bar and to Dobwalls Football Club for hosting the event."

## Dobwalls Primary School achieve the Go Cornish Bronze Award!

Dydh Da! (hello!) from headteacher Kathryn Pipe, who says: “I am thrilled that we have been awarded this award. We are in an elite group of schools in Cornwall, with us being school number 12 to achieve this. I am very proud of all our wonderful children and staff who have relished the Go Cornish programme.

Go Cornish exists to give everyone in Cornwall and beyond the opportunity to learn something of the Cornish language, and to discover the culturally rich heritage of our amazing patch of the planet.

In order to achieve this we have learnt songs in Cornish, made Christmas and Mother's Day cards in Cornish and joined festivals. Our Brass Band learnt to play the Floral Dance and teachers demonstrated before everyone joined in!! We have also learned some Cornish language, there are some Cornish songs at school and we've brought some Cornish heritage into our curriculum.

Thank you too to the PTFA who prepared the delicious cream teas with kind donations from Trewithen Dairy and Morrisons.”

When the award was presented at school assembly the VIPs, who toured the school, included Jowdy Davey, Cornish Language Lead, Cornwall councillors Hillary Frank, Sarah Preece and Jane Pascoe, Kayleigh Dring, Chief of Staff for Anna Gelderd MP, Will Coleman, the Director of Go Cornish Project, and Nia Robertson, the School Project Officer.

# Kernow Bys Vyken — Cornwall For Ever

# Dobwalls Charity Beer & Cider Festival 2025

## A Triumphant Return in a New Setting

THE much-anticipated event returned for another unforgettable year—this time in a new and exciting venue, Dobwalls Football Club.

Here's what the organisers have to say about the two days: The move proved to be an inspired choice, offering ample space for large marquees, an impressive stage set on a curtain-side trailer, and a vibrant atmosphere befitting this beloved community event.

Despite Cornwall's famously unpredictable weather, this year's conditions were a noticeable improvement on previous storm-struck years, allowing guests to enjoy the festivities with only the occasional light shower.

The Friday served as the perfect opener, with crowds gathering early to sample the wide array of exceptional ales and ciders.

For those with different tastes, the Football Club bar provided an excellent range of alternative refreshments.

A tempting selection of food—ranging from burgers and hot dogs to pasties, cakes, and more—kept festival goers well fed throughout the evening.

Saturday began with a light mizzle, but spirits were undampened as families arrived to enjoy a wide variety of children's activities hosted by the football club, including bouncy castles, face painting and even axe throwing. By midday, the skies began to clear and the grounds quickly filled with revellers eager for more.

Throughout the weekend, the bar remained a central feature, with nearly all ale and cider offerings emptied by the event's conclusion.

As always, the flavoured ciders proved to be the fastest to disappear—this year bolstered by additional stock to meet the increasing demand.

While final figures are still being calculated, early estimates suggest the 2025 festival has raised approximately £5,000 for Cornwall Air Ambulance—bringing the total raised since the festival's inception to a remarkable £34,000.

This achievement would not have been possible without the generous support of our sponsors, the dedication of our volunteers, the hospitality of Dobwalls Football Club and the incredible talent of our musicians — The Breeze, Mind Your Manners, Buffalo Frame, Josh Taylor, DerryAirs, Tideford Tornados and Young Oliver and Young.

But, most importantly, a big "thank you" to the people of the local community and visitors who came to celebrate, donate and enjoy. Looking ahead, we are already setting our sights on April 2027, which marks the 40th anniversary of Cornwall Air Ambulance. With your continued support, we hope to surpass £40,000 raised by then—a milestone truly worth raising a glass to.

# LOOKING BACK — AND LOOKING FORWARD

THE trustees of Dobwalls Memorial Hall have held the hall's annual general meeting. Trustee Rowena Fletcher writes: The AGM is an important annual gathering where we are able to review the past year, appoint committee members and office holders and start looking forward to next year's activities. The AGM is advertised on The Dobwalls Community Facebook page, Liskeard Community page and the pavement noticeboard outside the hall. And this year we held it on a Saturday to ensure as many people as possible could attend. So we were disappointed that no members of the public were able to come along to hear what we've been up to over the past year and raise any issues or concerns in person. We looked back on another steady and positive year for the hall, which continues to be well supported by a good mix of regular users and new groups, keeping the hall active and relevant to the community. We're particularly pleased the NHS is increasing its use of the hall, further strengthening its position as a valuable local asset. The regular bingo sessions are well attended, offering a sociable and fun activity that continues to bring people together. So a big 'thank you' to everyone from Dobwalls and further afield who has supported the hall over the past year, either by attending events, hiring the hall or helping out. This support enables us to continue to maintain the hall in a good state of repair, and we have further projects planned for the coming year to help us maintain a high standard for all who visit and use the hall. In addition, this year saw the long awaited resurfacing of the car park, thanks to Coastline Housing who funded the work, which has made a real improvement for everyone using the hall. The trustees thanked Andy Butterworth, who has been an excellent chairman over the past year, and is now stepping down. Our new chairman is Maurice Fletcher. The other trustees are treasurer Alison Butterworth, Andy Butterworth, Brian Clark, Angie Geoghegan, Ian Sheer, Graham and Brenda Sleep and yours truly, continuing in the role of secretary.

Last but absolutely not least! We really do need more help to run the hall if we are to keep it going as a valuable centre for the community. We are a friendly and welcoming committee with a mix of backgrounds and skills and would love more volunteers to join us, either as a trustee or on a more informal basis. We also need more volunteers to help with the bingo sessions, including as a bingo caller. No experience is needed as we will provide full training with practice sessions and support. If you're able to help in anyway please contact Alison Butterworth on 07980303967 or email: butterworth.alison61@gmail Full details of the regular events held at the hall, along with information about how to book the hall, our history and constitution and much more are on our website here:

# Jane Pascoe on Transport, Parking and Connectivity

CORNWALL councillor Jane Pascoe says these are important issues which often cause problems for local residents: At the last council meeting I spoke in the chamber about the difficulties we encounter accessing Derriford Hospital by public transport. A bus from Liskeard to Derriford is crucial and a service I continue to strongly campaign for on your behalf.

I also complained about the disruption to the No 11 service. Cornwall GoBus and Cornwall Council have listened and you will see changes to the local network. No 11 service will be split into two services with No 55, Delabole-Camelford-Bodmin-Liskeard, most journeys stopping at Trago Mills and Dobwalls. Please use this service. Timetables will be issued in the coming weeks.

Dobwalls Memorial Hall trustees are working with the headteacher of Dobwalls Primary School to make access to the hall car park easier. This will enable school drop off and pick up manoeuvres to be safer for pupils. It's a pilot scheme for one month and I hope that parents will find this helpful and park safely. No-one needs to park on a kerb.
This can endanger lives or hinder access for disabled residents. Please remember, you can also park in the parish council car park at no charge, beside the Highwayman car park.

I'm pleased to confirm that Cornwall Council will not be handing any of its car parks over to private operators. They will remain in the council's control.

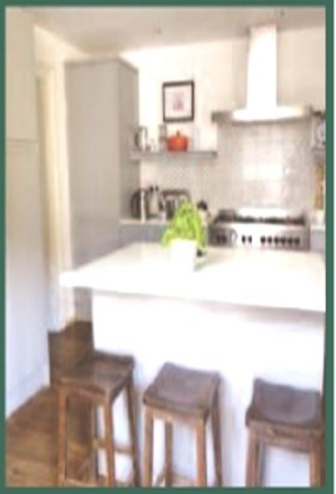

The news that Liskeard Post Office will remain open is a relief to many people in the area and a good example of local people campaigning on local issues. It will be closed for one day on October 1 for a refit.

Finally, Good Luck to all the young people who are beginning the Autumn term in a new school.

Cornwall Councillor Jane Pascoe.

*The plant sale was a great success and raised record funds for the club this year*

This year's warm, dry weather has brought lots of colour to our gardens which DIG members also enjoyed at the Cream Tea and Potato Competition held in the summer.

The autumn brings an interesting programme including a visit to The Real Food Garden near Bodmin to see how they grow their vegetables. This is followed by a talk from Heligan Gardens and then a presentation by a well known local wildlife photographer on birds.

## No Sean Jackson walk in this edition!

YOU'LL all be bitterly disappointed, but Sean's had a lot of his plate recently.

He's been away seeing friends and family and he's been dealing with other stuff.

But he's threatening to return for the Christmas edition.

And, rumour has it, he might be thinking of venturing outside the parish to embrace the wonders of Siblyback Lake as a special Yuletide walk and include a stop off at Olive & Co.

But there's another reason why Sean has no walk in the Autumn 2025 edition of The Villager, as he explains: "All the local routes have appeared in the magazine over the last few years, so it would be useful if readers could suggest any routes or walks I could do for future editions. Please send any suggestions to the editor michaelgtaylor@yahoo.com Thanks for your support and safe walking."
