NEWS *from* Dobwalls Into Gardening

2026 got off to a great start with Becky Martin giving a talk on *Creating a Tropical Effect in Dobwalls*. Lots of tips and ideas on choice and positioning of plants in a sheltered area to create a warm and colourful tropical effect in the summer.

We have an exciting programme in place for 2026 with a wide scope of topics. In the next few months, this will include talks on: Soil and Worms; Peonies; Poison in the Garden; and Gardening for Wildlife.

Meetings are held at Dobwalls United Church Hall, generally on the first Monday of each month but do vary for arranged visits or to avoid public holidays. For up to date information, search for our Facebook page 'Dobwalls Into Gardening Community' or phone 01579 326158. New members are always welcome to join us.

Advertising in The Villager

THE price for adverts in the Dobwalls Parish Council magazine has been kept at the same very low level for several years now.

But, as we all know, the cost of almost everything has increased and The Villager is no exception.

The members of the editorial team are all volunteers and give their time and effort freely to put the quarterly publication together.

The income from advertising goes towards the printing costs which have gradually crept up over the years.

So the council has agreed to a modest increase in the advertising rates, starting from the Summer 2026 edition. The rates remain incredibly low, compared to similar publications, as the council is keen to support local businesses.

A full page advert for the four editions of Summer, Autumn and Christmas 2026 and Spring 2027 will now be £120, just £30 an issue. A one off full page is £60.

For a half page in the four editions the cost is £72, that's only £18 an issue. A one off half page is £36.

And for a quarter page for all four editions the charge is £42, £10.50 per issue. A one off quarter page is £30.

Advertisers should contact Doreen Clark at

villageradvertisers@dobwallspc.org.uk

The deadline for adverts for the Summer 2026 edition is the end of **April**.

The magazine is delivered by a band of volunteers who live in the village and parish to approaching 1000 homes, businesses and other premises. The editorial team would like to thank the volunteers for what they do, which also helps to keep costs as low as possible.

Another deadline for The Villager Summer 2026 edition

IF YOU have any stories or photos you'd like to see in the Summer magazine or events coming up in the months of June, July and August you'd like to promote then just get in touch with the editor Michael Taylor

michaelgtaylor@yahoo.com by early **May**.

Apart from Doreen and Michael, the other members of The Villager editorial team are Brian Clark (distribution) Sean Jackson ("The Villager" Facebook page) and Ailsa Tween (text proofreader).

"A genuinely Kind and Wonderful person"

MANY tributes have been paid following the sad news of the passing of Peter Mutton, a former chairman of Dobwalls Football Club and legend of the local darts scene.

The club wrote this on Facebook: "Peter was a key part of the club and holds a great legacy at the club. He was always willing to do above and beyond for the club and was always at home games, supporting the lads from his chair outside the clubhouse.

"Anyone who had the pleasure of meeting Peter would tell you how much of a genuinely kind and wonderful person he was. Matching that with his humour, you had an incredible chairman, dad, grandad and great grandad.

"He will be deeply missed by all at the club and we send our condolences to his wife Lesley and everyone else connected to Peter."

John Blake said this on behalf of DFC: "A massive loss to the club. A person we will probably never replace. So much dedication of time."

John Collings, a former editor of The Cornish Times and leading sports journalist at the Sunday Independent, went on Facebook to praise Peter for his impact on the sport of darts:

"He helped me to engineer a full page of local darts reports in the Cornish Times during the 1980s, including being pivotal in starting the well-supported South East Cornwall summer league.

"And then he continued to promote both local, inter-county and national arrows as the regional Sunday Independent gave weekly prominence to the sport long before the likes of national broadcasters claimed it!

"Without Peter's drive and enthusiasm none of that would have been possible. He gave enjoyment and purpose to countless people and was always a pleasure to work with."

65 in the 30 — and a stunt driver!

A DRIVER doing more than twice the Dobwalls speed limit of 30mph — 65 to be precise — is one of 10 motorists travelling at 35mph or more who were monitored by a recent Community Speed Watch (CSW) session on the main road through the village.

And another driver decided to perform some stunts with his car for the volunteers operating the speed camera. The registration details of both vehicles have been passed to the police to follow up on.

A total of 80 vehicles were monitored during the session with the speed camera focusing on traffic coming up the hill into the village from the Moorswater direction. Another of the 10 drivers doing more than 35 in the 30 was travelling at 46mph.

And that's even with the flashing speed sign alerting drivers about how fast they are travelling as they come into the village from Moorswater or off the A38 westbound carriageway.

More volunteers have come forward, so a Dobwalls CSW Group has been formed which will be responsible for sessions at Dobwalls, Doublebois and East Taphouse.

The extra volunteers mean the number of sessions in the 30mph through Dobwalls has been increased and vehicles coming into the village from the Twelvewoods roundabout are now also being monitored.

CSW only records drivers travelling at 10% plus two mph above the speed limit, that's 35mph in the case of Dobwalls. They are reported to the police who send an advisory letter to the registered keeper explaining the dangers of travelling at excess speed and reminding drivers to reduce their speed.

Community Speed Watch is not about "catching" drivers speeding, it's all about encouraging more careful driving — and Dobwalls is leading the way.

Cars racing round in Dobwalls Memorial Hall—whatever next!

THE latest activity at the hall is the Remote Control Car Racing Club. It's on Sunday evenings from five o'clock to seven. Stefan, who has started the club, says: "New members are very welcome so if you're interested call me on 07961 096 021 or just pop in around six o'clock."

One long-established and very popular activity in the hall is short mat bowls. Gerry Tizzard, from Dobwalls Short Mat Bowling Club, says: "Why not come along to the hall on a Monday or Thursday from 7.30pm to 9.45pm and join in a friendly game. Everyone's welcome, especially beginners." So, why not give it a go? Give Gerry a call on 07914 161 992.

The hall is a valuable asset for the village and parish, as one of the hall trustees Rowena Fletcher explains: "This is your local hall and its whole purpose is to enable people who live in the village and surrounding area to meet up, enjoy each other's company and take part in a wide range of activities. As a charity, the hall depends on the fundraising events organised by the trustees, as well as regular and ad hoc bookings.

"One of the most popular events is the twice monthly bingo sessions. Bingo at the hall began many years ago, started by Roger Williams and Christine Seaman, who ran it together for some time. The hall trustees became involved to provide some very welcome help and support. We are very proud of the way it has grown to be a substantial and popular event on the first and third Saturday of each month. We have all ages from 18 years to 95 years old, with many younger people under 30 coming along.

"The bingo is a great fun-night out and people are able to buy a pasty or sausage roll freshly cooked on the premises to enjoy alongside hot and cold refreshments at very reasonable prices. It is usually all over just after nine o'clock which is great for those who like to get home at a reasonable time, as well as the younger groups who may then move on to other evening venues.

"We also have a loyalty scheme which means that if you attend 10 sessions before the end of October you will get a loyalty based extra at the final Christmas bingo. Please do come along and enjoy an evening with us. Doors open at six o'clock with eyes down at seven."

Cowling and Owling at Dobwalls Primary School

ADULTS only—no children allowed. The school is hosting that classic Cornish comedian Johnny Cowling in a school fund raiser on Thursday, March 19. He's a very popular funnyman and plenty of tickets have already gone but there may still be some left. Just contact the school secretary using the details on the poster.

Headteacher Kathryn Pipe says: "We are fundraising to replace our outdoor wooden building in our Wild Tribe area as it is no longer fit for purpose and rotting."

The new shelter will cost around £6,000 so, if you can't make it to Johnny's live and very lively show and would still like to make a donation, please do so.

****

This academic year the pupils' chosen charity is The Screech Owl Sanctuary and as part of the fund raising the School Council organised an owl-themed baking competition.

Kathryn comments: "Wow, Dobwalls! Once again our children's baking skills astounded us! The owl-themed cakes were truly excellent and delicious too!"

The school councillors had the tricky task of choosing the winners and it's congratulations to Matilda, Beth, Nyla, Mina, Renley and Jude.

Kathryn adds: “As well as the bake sale, we were delighted to welcome Gary and Barney from the owl sanctuary to our assembly. They brought with them an owl called Trelawney and a polecat called Steve. They told us how our fundraising will help and support them in their conservation projects and the Cornwall Stork Project.

“Did you know that owls grow to their full size by four months old? We learnt lots of new and interesting facts. Amazing projects in action, do pop along and visit them if you can.”

The total raised from the bake sale was nearly £200. The overall total for the year so far stands at £330.

A new opportunity for the potential stars of the future!

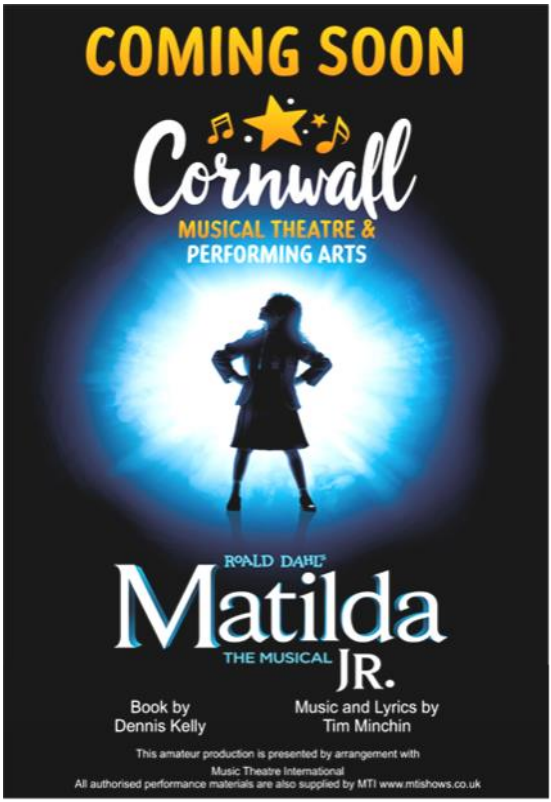

YOUNG people who are interested in acting, singing, dancing and everything else to do with the world of entertainment can now join a new theatre group in South East Cornwall.

The Cornwall Musical Theatre & Performing Arts group is for anyone aged nine to 25 years old.

One of the principal aims of those behind the project is to develop a stage career pathway so that, as well as taking part in drama productions and musicals, the members can also learn and study for recognised qualifications such as BTec (Business and Technology Education Council) and London Academy of Music and Dramatic Art (LAMDA) certificates.

The new group's founder Alan Collings says: "At the moment the nearest centres offering BTec courses are in Truro or Exeter, while nowhere in Cornwall has a centre for LAMDA qualifications."

The backstage team behind the venture boasts more than 100 years of combined knowledge and experience in the theatre world, both in the UK and overseas.

Alan founded the Looe Youth Theatre group, which was featured on the hit BBC children's programme, Live & Kicking. He also brought onstage flying to South East Cornwall for the first time with the well-received production of Peter Pan, the British Musical.

Alan trained in technical skills and special effects at Plymouth Pavilions, working on stage and lighting for the likes of Victoria Wood, Queen, Cliff Richard and Richard Clayderman. He also worked overseas looking after and providing entertainment for venues across the Balearic islands.

Since then he has produced and directed many shows from pantos to hit-name musicals, with credits including the Wizard of Oz, Annie, Goodnight Mr Tom, Joseph and the Amazing Technicolor Dreamcoat, Cinderella and Peter Pan. He has also worked with many other local organisations managing the tech for shows like Matilda, Beauty and the Beast and Whistle Down the Wind.

Work has already started on the company's debut show, Matilda, which will run for the first two weeks of September in Liskeard Public Hall. The hall is the venue for a workshop on Saturday, March 14, and auditions for Matilda on Saturday, March 28.

Young people interested in joining the group and parents with children keen to expand their theatrical talents can get more details by emailing

info@cornwallmusicaltheatreandperformingarts.co.uk

Sean will be Back

THE Villager magazine's intrepid walker Sean Jackson is threatening to be back in this Summer's edition with the latest in his popular series of walks around the parish, if only to give himself the excuse to end his walk with a pint of Guinness at The Highwayman!

For a combination of reasons Sean has been unable to come up with another yarn involving his perambulation along the local public footpaths.

The main reason has been the weather — rain, rain and more rain and winds strong enough to knock you over. The ground has been sodden and many routes blocked by fallen trees and branches. Paths have been turned into rivers and lakes.

Sean says any attempt at a walk would have ended up being a swim — and he's not very good at that.

So roll on the Summer!

Tamar Bridge toll and car parking charges and a bankless Liskeard

CORNWALL Councillor Jane Pascoe writes: I have been appointed to the Tamar Bridge and Torpoint Ferry joint committee and I voted against the increase from 80p to £2 on the TAG administration fee. Residents in the Liskeard area are the third highest user of the crossings, many for essential journeys for hospital appointments, employment and education. The toll is an added and unfair burden on our residents and it will always be my aim to represent your best interests and strive for a toll-free crossing one day in the future.

Cornwall Council recently outlined proposals to charge fees in car parks in rural outlying areas, such as frequently visited beauty spots like Kit Hill, which had not previously had charges. We are so lucky that the car park in Dobwalls has avoided these punitive charges, because a few years ago your parish council took ownership of the lower part of the car park for the community.
You can use it at peak times for school drop off and pick up to help with the congestion outside the school. It is just a short walk, 500 steps at my last count, via the footpath to Tamblin Avenue and up to the primary school gate.

Despite campaigning hard to keep Liskeard Post Office open, I am very disappointed to learn that Santander, the last bank in Liskeard is closing in May. I believe the banks have let the local residents down very badly and also town centres. Towns are faced with empty vacated buildings and a reduction in footfall too. We hugely appreciate that we have our reliable and efficient Post Office in the Spar shop in Dobwalls, with the friendly and kind staff helping us with our necessary transactions.

I hope that we have had our quota of rainfall in January and February and we can now look forward to a warm and dry Spring. A timely reminder that many of our hard-working farmers are in their lambing season and all dogs should be kept under control and on leads when walking in the countryside. There have been incidents of dogs worrying and killing sheep in this area and it could have been avoided.

Finally, I wish you all a very Happy Easter time, lots of chocolate and a joyous time with your family and friends.

Dobwalls in Bloom in Springs gone by

“Stephen leaves a Lasting Legacy

His influence will continue to be felt”

THE community of Dobwalls and its football club are mourning the loss of Stephen Champion, a much loved husband, father, grandad and brother.

His family has paid this tribute: “Stephen was a man you could rely on without question. Kind-hearted, steady and stubborn in the very best sense of the word. He filled a room in his own quiet way, sometimes with laughter, sometimes with thoughtful advice and sometimes simply with the comfort of knowing he was there.

“He carried a life-long love of Star Wars — perhaps the galaxy’s most dedicated supporter. It was a passion that brought him immense joy and one he embraced wholeheartedly. In many ways it mirrored who he was — loyal, hopeful and always believing in the good.

Stephen’s dedication to Dobwalls Juniors Football Club was nothing short of extraordinary. For more than a decade as chairman he gave his time, energy and heart to the club, always putting its young players and their families at the centre of everything he did. One of his proudest achievements was helping to secure the land for the new junior pitches — a lasting legacy that reflects his deep commitment to creating opportunities for children in the local community.

“Whether he was putting up nets on a cold morning, carefully painting lines before kick-off, or standing faithfully on the sidelines offering steady encouragement, Stephen’s presence was constant and reassuring. To him, Dobwalls Juniors was never just about football. It was about community, belonging and giving something back. His influence will continue to be felt in every match played and every child who steps onto those pitches.

“He worked hard, he loved even harder and he leaves behind a family who will forever carry his lessons, his humour and his unwavering love. Stephen will be deeply missed, fondly remembered and never forgotten.”

What a Load of Rubbish!

THE annual Dobwalls village and parish litter pick is on Saturday, April 25.

It's organised by the chair of Dobwalls Parish Council Tracey Kitto who hopes to see lots of volunteer pickers, particularly younger ones, on the day: "This is your chance to give the village and parish a Spring clean and give something back to the area we live in."

Last year the litter pickers collected crisp packets, sweet and food wrappers, assorted items and a whole recycling bag full of metal cans and plastic and glass bottles.

Pickers ready to set off on a previous pick

Councillor Kitto put items which could be recycled out with her fortnightly recycling collection and the rest of the rubbish bags were collected by Biffa the same day as part of the litter pick.

Tracey says most of what you need is provided by the council. Just bring along a pair of gloves and suitable outdoor clothing and footwear. The equipment provided by the council includes litter pickers/grabbers, hi vis vests and bin bags.

Bags of rubbish

Make sure you "like" The Villager Facebook page which will have a reminder closer to the date and time which is Saturday, April 25 at 9.45am in the village car park next to the pub car park.
